THE KEG SPIRIT FOUNDATION

**RAISING MONEY,
RAISING SPIRITS.**

Youth mentorship has been integral to The Keg's culture since our doors first opened. In that spirit, The Keg Spirit Foundation was established in 2001 to support charities that positively impact young people. The foundation has raised more than \$11 million since its inception and continues to raise more every time a child enjoys a Keg meal.

\$1 from every kid's meal is donated to The Keg Spirit Foundation.
